Trenton Award Program Honors the Achievement

TRENTON May 13, 2014 -- Abbasi Sami DO has been selected for the 2014 Best of Trenton Award in the Dermatologists category by the Trenton Award Program.

Each year, the Trenton Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Trenton area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Trenton Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Trenton Award Program and data provided by third parties.
